Take a nostalgic step back in time and re-discover the mystery and magic of the travelling vintage circus, carnival or fair. Select from our range of backdrops and props to create a fun vintage experience using vintage circus posters on easels, plinths, distorting mirrors, caged exotic animals, food carts, pretzel stands, light up signage and large scale painted scenery.

Hay bales, crates and barrels are also essential and can be used to create a circus ring for the ringmaster or an enclosed dining area for guests; with festoon lighting and lanterns strung above rustic tables and seating.

# Masquerade

Our popular Masquerade Theme has it all and makes for a memorable special event or corporate function. Here the guest is transported back to a time in history when the Masquerade Ball was a feature of the Carnival Season.

These extravagant events were particularly popular in Venice and later throughout Europe with guests in fancy dress wearing elaborate masks to hide their identity. Masked characters and street performers also in fancy dress were engaged to mingle and entertain the crowd. This elegant theme combines lavish drapery and painted backdrops as well as statuary and architectural elements like archways, columns, balustrades and working fountains.

The key props for this event are richly decorated giant masquerade masks, ornate head pieces, crystal chandeliers, candelabras adorned with jewels and champagne glass pyramids. Formidable entrance gates, elegant seating, lavish table scapes and creative lighting effects also add to the visual splendor of this theme.

Elements from this engaging theme are used to create other event themes such as Phantom of the Opera, Venetian Carnivale and Rio Carnival as they also use masks, feathers and fabrics to create an opulent setting with just a hint of decadence.

# *Rustic Banquet*

Begin with an eclectic mix of event decor and props styled against enchanting forest backdrops, to create a realm far from the city lights deep within the forest. Select tables and seating from our range of rustic event furniture, themed table scapes, wine barrels, wooden crates, candelabras, candle holders and chandeliers to create the mood. Light the venue space and fill it with decorative potted plants, foliage, floral decorations and vines hanging from a leafy canopy. A clandestine bush still, gramophone, musical instruments and other assorted period props stylishly add to the enchantment and ambience of the rustic theme..
