Full-width White Cyclorama

Studio 2 White Cyc is equipped with a full-width white cyclorama.

Nine metres deep, this studio allows for a depth of shot not available in most studios. The cyclorama filling the entire eight metre width, coupled with the high ceiling, allows unique shots for larger groups and tiered stages setups.

This studio is excellent for fashion, music videos, portrait photography and is ideal for large setups. The graduated infinity cyclorama provides a remarkable environment for discerning photographers.

The street access allows for large scale set design with large items able to be delivered directly into the studio.
